## Day 2

### Orak Island - Cokertme

After your breakfast, you will be informed about the cruise itinerary and the boat. Then we will cruise to Orak Island. Here you will have the opportunity of swimming in the crystal-blue waters of Orak Island and enjoying lunch, we will then sail to Cokertme, a small and picturesque fishing town, for dinner and an overnight stay. If the weather conditions permit, it may be possible to use the sail on the way. Guests are welcome to take a short walk on the shore.

## Day 3

### Seven Islands (Kufre / Uzun Liman) - English Harbour

Before breakfast in the early morning, we will cruise to Seven Islands. Our first stop in Seven Islands Region will be Kufre Bay. Then we will be anchoring at Uzun Liman (Long Port). Afterwards we will cruise to English Port for dinner and an overnight stay. The name, English Port, comes from the time of 2nd World War as the ships of British Navy forces used to dock here. In this area, there are so many small and large bays which are suitable and sheltered enough to anchor for the boats.

## Day 4

### Cleopatra Island - Karacasogut

We will cruise to Sedir (Cedrae) Island. This unique island with its small beach and unbelievable clear water is like an open-air museum. Then our boat will sail to Karacasogut village for dinner and spend the night there. This lovely village is located at 25 km away from Marmaris. Therefore, it is possible to visit Marmaris via 'dolmus'(mini buses) if you want.

## Day 5

### Longoz - Tuzla

Morning swimming will soon become a part of your daily activities. For lunch, our captain will cruise to Longoz Bay; another place which is like paradise, sheltered with huge pine forests. After lunch, you can enjoy a short walk in the forest and take a rest in Ali Baba's local shed-like cafe. Afterwards the gulet will be anchoring at Tuzla Bay to enjoy a swimming break in the turquoise-blue waters. Dinner and overnight stay at Tuzla Bay.

## Day 6

### Kargili - Kisebuku (Alakisla Buku)

We will be in Kargili Bay (Molla Ibrahim Bay) early in the morning. After lunch, we will be anchoring at Kisebuku (Alakisla Buku). Here you can see the ruins. We will spend the night in this lovely bay.

## Day 7

### Pabucburnu - Yaliciitlik - Bodrum

We will sail to Pabucburnu after breakfast and enjoy lunch here. Tea will be served in Yaliciitlik Bay. Then our boat will cruise back to Bodrum Port for the last day's dinner and an overnight stay.

## Day 8

### Bodrum

The guests will leave the boat with precious memories by 10:30 after breakfast.

# GOCEK - HISARONU - GOCEK

## Day 1

### Gocek

Afternoon arrival onboard your yacht followed by a welcome cocktail and captain's briefing. If you choose not to wander around the streets of Gocek your captain can leave port straight away and take you to the pristine bays in the area. There are many bays to stop and stay for a swim including Wall Bay 'Manastir' which hosts the ruins of Ancient Lydae both along the shore and also on the hills reachable after a 45 minute uphill hike. Tonight you will overnight in a secluded bay of your choice. Dinner will be served onboard prepared by your chef using the freshest ingredients.

## Day 2

### Ekincik - Kaunos - Dalyan

Early morning departure today to cruise to Ekincik (approx. 3 hour cruise) where you will be picked up after breakfast by your very own smaller wooden dinghy that will take you along the coast to Iztuzu Beach, home of the Caretta Turtle species. From there you will be guided through the marshlands to the ancient city of Kaunos and the town of Dalyan. Today will offer numerous activities including Mud Baths, Natural Hot Springs, archeological sightseeing & hiking, swimming in fresh water lakes and exploring the town of Dalyan with its riverside cafes and restaurants. Your dinghy will return you to the yacht just before sunset for dinner and overnight in bay.

## Day 3

### Arap Island - Loryma

Morning departure after breakfast from Ekincik to head southwest towards Arap Island (approx. 2.5 hour cruise) This bay is a secluded location, perfect to enjoy a quiet afternoon of sunbathing and swimming. After lunch the captain will make way for Loryma (approx. 1 hour cruise) where you can hike the castle walls and also take advantage of this large protected bay to do some watersports. Dinner onboard and overnight in bay.

## Day 4

### Cape Atabol - Dirsek Bay

After spoiling yourself with a refreshing morning swim and having breakfast you will cruise towards Cape Atabol (approx. 1 hour cruise). This location is a great option for the afternoon with clear water and plenty of opportunity for octopus searching. For the evening the captain will provide some leisure sailing time before bring the yacht to Dirsek Bay which is naturally well protected and a safe mooring spot for the evening. Dinner onboard and overnight in bay.

## Day 5

### Bozburun

begin after breakfast today and your destination will be the Bozburun region (approx. 1 hour 15 min cruise). There are a number of secluded bays to be enjoyed during the day before coming closer to Bozburun harbor for overnight. The captain can dinghy you into harbor so that you may explore this small shoretown that is still not developed due to the winding roads that need to be driven across in order to reach it. Dinner onboard and overnight in bay.

## Day 6

### Serce - Gerbekse - Kadirga bay

Morning departure after breakfast for Serce (approx. 2 hour cruise) where you can relax and have lunch. After lunch time first head off to Gerbekse (approx. 1 hour cruise) This bay is a secluded location, perfect for a quiet afternoon sunbathing and swimming break. For the evening the captain will bring you to Kadirga Bay (approx. 1 hour 15 min cruise). Dinner onboard and overnight in bay.

## Day 7

### Gulf of Gocek

Today your crew will wake up very early around 05:30AM to start cruising back towards the Gulf of Gocek (approx. 5 hour cruise). Dinner onboard and overnight in bay.

## Day 8

### Gocek

On your last day onboard the captain will enter Gocek harbor after breakfast time where you may disembark.

# MARMARIS - FETHIYE - MARMARIS

---

## Day 1

### Marmaris

The boarding starts at 15:30. On the first day, the service starts on the boat with dinner and an overnight stay in Marmaris Port. Being one of the best-known touristic places of Turkey, Marmaris has also a large marina.

## Day 2

### Ekincik Gulf - Dalyan

After your breakfast, you will be informed about the cruise itinerary and the boat. The cruise will move towards Ekincik Gulf. Dinner and an overnight stay will be in the Gulf of Ekincik.

## Day 3

### Tersane Island - Sunken Turkish Bath - Kizil Island

Because of the wavy seas of Disibilmez and Kurtoglu capes that we have to cross, we will cruise earlier than the other days and reach the world-famous Gocek Gulf. We will anchor at Tersane Island for breakfast and swimming break. We will cruise to Manastir (Monastery) Bay. This place is also known as Cleopatra Bay or Sunken Bath Bay due to the beautiful underwater ruins of an old bath. Dinner and overnight stay at Kizil Island.

## Day 4

### Fethiye

Arrive at Fethiye Harbor early in the morning. Fethiye, which was known as Telmessos in the ancient times, was the most important city situated on Lycia's western border with Caria. As the name suggests, the city was the city of light and was famous for its prophets. We also offer the option of a jeep safari tour in Fethiye. ## Day 5

### Gocek Gulf - Yassica Islands

After breakfast, we depart from Fethiye Harbour for Gocek Gulf. While moving through uniquely beautiful islands, we finally anchor at Yassica Islands. Afterwards we sail to Marmaris port. Overnight stay at Marmaris Harbour. Guests wishing to see more of Marmaris are recommended to go to the city center and experience the lively night life.
